15. Multidisciplinary / interdisciplinary

In order to develop the all-round capacities of the students -intellectual, aesthetic, social, physical, emotional and moral in an integrated manner, the college is preparing to include multidisciplinary subjects as per the National Educational Policy 2020. Keeping in view the problems faced by the students, the college is planning to set up short term and vocational courses. The aim is to make the students equipped, so that they don't need to rely on Government jobs but instead pave a way towards self employment. As the College is preparing itself to have more of multidisciplinary subjects it tries to identify the programme learning outcomes along with courses and unit learning outcomes

that define the specific knowledge, skills, attitudes and values that are to be acquired by the learner and would ensure that each programme achieves its goal.

16.Academic bank of credits (ABC):

One of the provisions of NEP-2020 is the introduction of the Academic Bank of Credit(ABC). ABC will allow students of undergraduate and postgraduate degree courses to exit and enter within a stipulated period. "Academic Bank of Credits shall deposit Credits awarded by Registered Higher Education Institutions, for Courses pursued therein, in the Academic Bank Account of the student and the validity of such credits shall be as per norms and guidelines issued by the Commission, affiliated University and Higher Education Council Govt. of Karnataka from time to time." Because of implementation of NEP from this academic year (2021-22), our affiliated University has not yet imposed ABC in affiliated Institutions. Our University is under progress towards introducing ABC. Our institution is yet to be register for ABC.

17.Skill development:

Skill development is a new component in all our courses. Our concern is to contribute to the skilled manpower of the country. Challenges of imparting the required skills amongst the stakeholders in at least one of the semesters will be achieved through the tie-up of a suitable agency or branch National Skill Development Corporation (NSDC). More weightage is given to introduce the courses involving language skills, communication skills, physical education activities, yoga, computer-assisted web-based learning, ethics, and self-awareness, enhancing scientific temper through e-resources, social and environmental responsibility, civic sense, national integration, etc. NEP syllabi framework is highly oriented towards skill inclusive

education.

Our institution is an affiliated to Rani Channama University, Belagavi. We are implementing the designed curriculum provided by the affiliated University. So far skill development is concerned, Our college introduced 6 activity based learning courses, a student shall opt any two of the activities offered in the college in each of the first to sixth semester of the undergraduate programmes. The activity carries two credits each semester and will be internally assessed for 50 marks by the staff like NCC Officer/ NSS Officer /Physical Education Teacher / Librarian / Teacher shouldering the responsibility of activities. The concerned staff shall submit the marks to the University during submission of internal assessment.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college emphasizes the concept of NEP through systematic amalgamation of regional language, culture and emerging western thoughts. In our institution, regional language, Kannada is focused besides English. Teachers may also utilize the materials of e-content to impart the best to the students' community. The objective of NEP is sustained through integration of native and national issues.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The College also makes an effort to understand that a pursuit of knowledge is a life-long activity and to acquire positive attitude and other qualities which will lead students to a successful life. To interpret, analyze, evaluate and develop responsibility and effective citizenship is one of the programme outcome of the students.

The desired syllabus for all the courses under different programs is thoroughly revised by the affiliating university as per the Choice Based Credit System (CBCS) guidelines of the University Grants Commission during the year 2019-20. For all the courses with effect from 2021-22, the structure and syllabi is designed and developed as per CBCS in accordance with Learning Outcomes based Curriculum Framework (LOCF) of NEP. Now for all the courses, the course outcomes, program outcomes, program specific outcomes are stated by the institution based on the LOCF. Now the tracking of learning outcomes are under the progress for each student.

20.Distance education/online education:

The institution conducts online programs such as e-poster presentations, webinars, Quiz competitions, etc. for the enhancement of quality education. Class notes are provided through an institutional repository and WhatsApp group so that students can access the class notes at their convenient time. Major activities of the institution are also available on social media platforms like FaceBook, Instagram and YouTube. During the academic year, regular classes run in offline mode, and students are encouraged to adopt the Blended Learning Method in their studies.

NEP is the golden opportunity for those who would like to pursue higher education. In earlier days, students did not have the provision to continue the graduation after discontinuation for some reasons however NEP encourages such students to continue the education from where it was left. Moreover, it Provides opportunity for research at degree level. The online education facilitates the learning opportunity at doorstep.

CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and	

documented process

The College believes in attaining academic excellence with a well planned curriculum delivery to the students. The curriculum of all the courses is designed by the Parent University and hence the college follows the academic calendar of the Parent University.

The IQAC prepares the calendar of events of the college in consultation with HOD's of all the Departments. The Time Table Committee prepares the college Time Table. The IQAC organises the Orientation Programme for the Fresher's to introduce the college to the new comers.

The curriculum delivery involves various innovative teaching methodologies like Special Lectures, Use of ICT, Assignments, Seminar, Group Discussion, Field Visits, Study Tours, etc. Involvement of faculty members in research activities adds to the delivery of more research based curriculum to the students. The participation of faculty members as BOS members help to share and gain knowledge.

Students are provided with the study materials necessary for learning but at the same time they are encouraged and trained to prepare their own study materials by using library and e-resources. For upgrading the existing knowledge the college organises Seminars, Webinars, and Workshops and also make students to participate in the Seminars, Workshops, Quiz Competitions etc organised by other institutions.

The Examination Committee ensures smooth conduct of internal examination according to the guidelines of the parent university.

The date of internal examination is announced ten days or one week before the date of examination. The pattern of examination is informed to the students well in advance. Within a week of

examination marks are brought to the notice of the students. The doubts and queries of the students regarding their obtained marks are clarified by the concerned teachers. The students whose performance is good are appreciated and whose performance is not satisfactory are guided.

If the students remain absent for the internal test for one or the other genuine reasons for instance NSS, NCC, Sports events, etc a separate examination will be conducted for them.

All the examination related grievances of the students are attended by the Examination Committee in consultation with the Head of the institution.

The college has a Grievance Redressal Cell which also addresses the examination related and other grievances of the students. As far as external examination is concerned the office staffs in consultation with the Head of the institution addresses the issues.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college is committed to quality education and ensures that it is reflected in PO's and CO's.

- Performance of students in examination.

- Performance of students in seminars, group discussion, etc.
- Pursuing higher studies and professional courses.
- Appearing in competitive examinations.
- Leadership qualities in organising co-curricular activities.
- The feedback from alumni on the programme outcomes by their satisfaction with regard to their graduation.

The POs and COs attainment is evaluated by using Direct and Indirect Method.

1. Direct Method:

In this method student's performance in internal tests, assignments, seminars, quizzes, projects, lab tests and result analysis of semester end examination are major tools used for assessing the attainment level of students relating to all the outcomes. Major portion of the assessment is done through this method.

2. Indirect Method:

Here progression of students to higher studies, placement, qualifying competitive exams, involvement of students in business ventures, etc is considered to assess the attainment level of students.

Evidence of PO attainment:

Good number of centum scorers and top scorers in all programmes. The students participate in community activities inculcate the human values, ethics and leadership qualities.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision and mission of the institution intend to provide quality education with a view to excel and empower the students of this economically backward area. The Principal and faculty members through various committees, forums and cells activate the curricular, co-curricular and extra-curricular activities.

The vision and mission statements are:

Vision:

Excellence and Empowerment of Rural Youth through Quality Education.

Mission:

Imparting Quality Education with discipline and developing the latest skills and competencies to enable the students to face the competitive world with confidence.

Nature of Governance:

The institution follows a democratic and participatory mode of governance with active participation of all stakeholders in its

administration. The institution promotes participative management in decision making by constituting committees with both teachers and students as members.

The faculty members play an important role in implementing the vision and mission of the institution. The teachers influence the institutional polity through their representation in building hostel, library and other committees of the institution. Various committees determine admission criteria, examination modalities, library practices, teaching-learning innovations, co-curricular activities and extra-curricular activities.

Hence, the college ensures a system of participative leadership and this reflects in the overall development of the college. The college prepares the perspective plan and implements effectively. Increase in Centum scorers, University blues, organising good number of community oriented programmes are the instances of reflection of the governance in tune with vision and mission.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has contributed significantly for institutionalizing the quality assurance strategies and processes. It continuously monitors and ensures quality in teaching- learning process.

IQAC Initiatives:

The following are two initiatives that have been institutionalized by the IQAC:

1. Green Initiative
2. Out rich Programmes.

1. Green Initiative:

The institution ensures green environment in and outside the college campus.

- Every year plantation drive is conducted in the campus and in other community places.
- A state of art beautiful garden is maintained inside the campus. There are varieties of plants and trees are in the campus area.
- According to Swachhta Bharat Policy of Government of India Swachha Baharat Abhiyana is being undertaken in various public places like, Government hospital, Bus-stand, Police station, Community Hall, etc.
- External green audit has been done in the year 2021-22 and it will be done once in the three years.

1. Out rich Programmes.

The IQAC promotes outrich programmes to development a sense of service to society and include attitude of social service along with study. Our NSS,NCC,YRC,Eco-Club and ELC organise different activity to serve the society in difficult ways. During 2022-23 the following acivity were organised relating to Community Service.

- AIDS Awareness Campaign
- Blood Donation Camp
- Drug Awareness Camp
- Eye Awareness Camp
- Yoga Camp
- Health Awareness Camp

Students are given opportunity frequently to address social issues and reach the society. Hence, the IQAC has made significant contribution towards institutionalising the quality assurance strategies and process.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC setup norms to monitor incremental improvements in various activities. A periodical review of teaching-learning process helps the institution to analyse and evaluate the effectiveness of the process. We give enough opportunities to the faculty and students to participate in seminars, conferences, workshops, FDP's, etc by that the quality of teaching-learning can be improved.

The mentor-mentee system helps to give more attention towards the students needs. This helps the students not only excel in academic but also in their intellectual areas.

The college strictly adheres to the academic calendar of years the curricular, co-curricular and extra-curricular activities are being conducted according to the plan of action. The certificate and value-added courses also help the students to improve knowledge and skills.

The feedback system also helps for the periodic evaluation of the faculty members and improvement of their performance. At the end of every Academic year principal collects performance appraisal reports from all the faculty members and brought to the notice of the management.

The IQAC initiates AAA periodically which also helps to improve quality of education continuously.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE-I

1. Financial Support to Students.

2. Objectives:

- To motivate students for achieving excellence in curricular and extra - curricular activities.
- To enhance self -esteem of the students.

1. The Context:

Education is the universal element for achieving empowerment.

Education is considered as a significant aspect in the foundation of the society.

1. The Practice:

Around the area there has been a history of frequent droughts which made

the life of the people miserable.

1. Evidence of Success: this practice was brought into effect from the year 2014-15 and continued till date.
2. Problems Encountered and Resources Required: The College suffered a lot in determining the economical status of the students.

BEST PRACTICE-II

1. Title: Green Campus Initiative

2. Objectives:

To support a sustainable and eco- friendly environment.

To create environmental awareness.

3. The Context: The protection of the environment is the prime responsibility of every citizen and there is a need for environment conservation.

4. The practice: We have beautiful garden inside the Campus with variety of flowers, medicinal plants and decorative samplings

5. Evidence of Success: The Green campus initiatives followed by

the college not only save the environment, but also adds to the beauty of the campus.

6. Problems Encountered and Resources Required: Maintaining garden and healthy growth of plants require a lot of human resources. There is water shortage

Problem during summer session.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

V. V. Sangha's Shree Khasgatesh College of Arts, Commerce and Science is one of the reputed educational institutions in the North Karnataka region. It was established in the year 1977 to realize the vision of empowering the youth of this socially and economically backward drought prone region.

Community Service: Every Year NSS,NCC ,YRC and ELC organize Various outreach Programmes such as Blood Donation Camp, Health Check up Camp, Drug Abuse Rally, Voters Awareness Campaign, traffic Rules Awareness programme, AIDS Awareness programme,Swatchhata Abhiyan etc.These all benefit the community besides students and staff.

Good Result: Academic excellence is another distinctiveness of our institution .the number of students scoring more than 90 marks in multiple subjects is increasing.

Sports and Games: The College has vast play ground having Volley ball Court, Shuttle Badminton Court, Handball Court, Net ball Court, Indoor Sports Room and well equipped GYM facility. It is the tradition of the college that we organize Zonal and inter Zonal level tournament regularly.

Increase in Number of Girl Students: The girls students enrolment

is increasing constantly though, there is availability of women College affiliated to Karnataka State Akkamahadevi Women's University, Vijayapur. This is because of providing an ambience of safety and security. Though our institution is having Co-education Still is a Choice for the girl's students to enroll here. Another reason for increase in girls Strength is that the institution consists of ladies Hostel and more number of women faculty.
