Excellent my teachers teaching.....

I am very happy to the teachers teaching methods and good experience thank you

All is Ok...

Please give Result at respective schedule... And give some important questions about all subjects I have issues from University not from college...

Teachers should be more concentrate on the topic based problems and it will more useful to student's

Brilliant

overall Excellent teaching. one improvement with playing teaching.

It's so very good teaching

Amazing

Mamida

Creating supportive environment

This was a excellent questions to learn more knowledge

Teaching - learning experience is well

We will need the good benches and rooms and we will need the more books in the library

Good teaching,good atmosphere

No all better

Garden speciality,

Exlent

Good library

In our college our Principal hired the teachers who just finished degree and those teachers are not able to handle the subjects , because of which teaching quality is very less in our colg only very few teachers are good at handling the subject and has knowledge about the subject. Just to save money our college hires people for less salary also of less knowledge.

College study is very good n excellent

New technology adopted in our college. And international programs arrangement in our college

New technology adopted in our college and international programs arrangement in our college

International programs arrangement in our college, new techology adopted

New technology adopted in our college and national programme arrangement our college

Best teaching... Class... Happy i all moment..

This one unique thoughts

Everytime

All lectures should be explain in English...

Always nice nothing to comments Happy

1. Use better graphic and visual media to engage student well 2. try to reach every student and ask for their doubts 3. make the teaching two way interaction

To provide another one ladies room

1) To make kannada and english labs. 2) to maintain hygiene around the college 3) to teach with smart classes

Best and super quality . good teaching and learning in the institute

Increase the library book.

More experimenting method and extra activities
